3 BACKGROUND

- 3.1 Cabinet on 9 March 2015 agreed to the setting up of a Property Investment Board. The purpose of the Board is to manage the Council's investment portfolio and to be 'fleet of foot' if required in order to acquire or dispose of property to enhance the portfolio. The Board recommended to the Mayor and the Mayor has agreed that in order to meet those objectives the level of delegation for property disposal and acquisition be raised. The new limits are therefore over £3,000,001 delegated to Cabinet. £1,000,001 to £3,000,000 Portfolio Holder for Property (who is chair of the Property Investment Board) up to £1,000,000 Head of Regeneration and Development and/or Section Head for Property.
- 3.2 The other change was to up date the Constitution following the departure of the Corporate Directors. Unfortunately one delegation that had been agreed in 2007 was not amended to reflect the loss of the Corporate Directors. The delegation is to be able to adopt markets

within the Borough Charter Market area as Charter Markets. This is now delegated to the Head of Regeneration and Development and/or Property Section Head.

3.3 The Executive Scheme of Delegation as amended has been incorporated into the Constitution and is now on the website.

4.0 **IMPLICATIONS**

4.1 Financial

The Director of Finance comments that there are no financial implications arising directly out of this report.

4.2 Legal Issues (Monitoring Officer)

The Head of Democracy & Governance comments that the Executive scheme of delegation is purely within the gift of the Mayor. The Mayor still retains the ability to take all Executive function decisions herself if required.

PART A

Report to: Council
Date of meeting: 20th May 2015
Report of: Head of Democracy and Governance
Title: Changes to the Constitution

1.0 **SUMMARY**

- 1.1 The Constitution Working Party met on 30 March 2015 to consider a number of changes to the Constitution.
- 1.2 The Working Party agreed to make recommendations to Council with respect to the following:
That the Chairs of Outsourced Services Scrutiny Panel, Budget Panel and the Community Safety Partnership Task Group all be appointed from members of the Overview and Scrutiny Committee.
That following the establishment of the Property Investment Board by Cabinet that for matters within the Board's terms of reference the key decision and call in limit be raised to £500,000.
That Development Control Committee be renamed Development Management Committee.

2.0 **RECOMMENDATIONS**

- 2.1 That for a member to be appointed as a chair of either the Outsourced Services Scrutiny Panel, Budget Panel or Community Safety Partnership Task Group that member must be a member of the Overview and Scrutiny Committee.
- 2.2 That for all matters falling within the terms of reference of the Property Investment Board the key decision and call in financial limit be £500,000 or more.
- 2.3 That the current Portfolio Holder call in limit of £10,000 be removed and that for all matters other than those within 2.2 the key decision and call in limit be £50,000 or more
- 2.4 That Development Control Committee be renamed Development Management Committee

3.0 DETAILED PROPOSAL

- 3.1 The Constitution Working Party met on the 30 March 2015 and considered three topics for potential change to the Constitution.
- 3.2 The first related to a request to review the terms of reference of the Outsourced Services Scrutiny Panel. Whilst the Working Party felt that the terms of reference for the Panel did not need to be recommended for review the Working Party did feel that a useful convention to adopt would be that the member chairing one of the sub groups of the main Overview and Scrutiny Committee namely, Outsourced Services Scrutiny Panel, Budget Panel and Community Safety Partnership Task Group must also be a member of the Overview and Scrutiny Committee. It was felt by the Working Party that by requiring this the main Overview and Scrutiny Committee would be better placed to oversee their work and Chairs could feed back on meetings without having to be especially invited.
- 3.3 March Cabinet set up a Property Investment Board. This followed a recommendation from the consultants Lambert Smith Hampton who undertook the property review. The idea of the Board is that it oversees and manages the Council's Property Investment Portfolio. The rationale for the Board is that in managing investment properties it needs to be recognised that they are held to produce an income. Therefore, as with financial instruments, special provisions are required to enable rapid decision making.
- 3.4 Currently the Council's key decision limit is £50,000. This is also the call in limit for officer decisions. For decisions taken by Portfolio Holders the limit is £10,000. The Working Party felt that these limits were far too low for enabling effective fast decision making in relation to the matters within the Property Investment Board's remit and is recommending to Council that for those matters only the key decision and call in limits be raised to £500,000 or more.
The Working Party also felt that having a separate Portfolio Holder call-in limit should be removed and that for all other decisions key decisions and call-in should remain at £50,000 or more.
- 3.5 Thirdly the Working Party are recommending that Development Control Committee be renamed Development Management Committee.
- 3.6 The National Planning Policy Framework (NPPF) places emphasis on the need for local planning authorities to approach the determination of planning applications in a positive way to support delivery of sustainable development. One of the core planning principles in paragraph 17 of the NPPF states that planning should 'not simply be about scrutiny, but instead be a creative exercise in finding ways to enhance and improve the places in which people live their lives'. In many ways, therefore, development management is a much broader concept than simply the control of

development. Most authorities in the country now have development management teams at officer level (as Watford has) and this terminology is increasingly reflected at member level as well. The Department of Communities and Local Government also now refers to development management rather than development control.

4.0 **IMPLICATIONS**

4.1 **Financial**

4.1.1 The Shared Director of Finance comments that there are no financial implications in this report.

4.3.1 There are no implications

Chief Officer Pay Policy

CHIEF OFFICER PAY POLICY

APRIL 2015

1.0 Introduction

- 1.1 The Council's success relies on the talent and contribution of its workforce enabling and ensuring it meets its objectives. Our Chief Officer Pay Policy seeks to ensure the Council is able to attract, recruit, retain and engage the right people in order to achieve this.
- 1.2 The Pay Policy pulls together all the elements that make up the Council's reward practices. It provides assurances of our consistency, fairness and transparency and gives clarity to all our stakeholders about how and what our people are rewarded for. It defines the level and elements of remuneration for Chief Officers, and all Senior staff, in accordance with the requirements of section 38(1) of the Localism Act 2011.
- 1.3 The Localism Act 2011 requires the Council to publish its position in relation to specific areas of chief officers pay as follows : - remuneration levels, all other payments, incremental progression, performance related pay, bonus payments, redundancy, severance/ compensation, and retirement payments, and the Council's policy on the re-engagement of chief officers. This Pay Policy statement sets out the Council's position in these areas.
- 1.4 The Council employs 224 officers, which represents a full time equivalent based on a 37 hour week of 196.85.
- 1.5 The gross expenditure for the Council for the financial year 2015/2016 is estimated to be £65,150,000.
- 1.6 Best practice recommends the Council consults a remuneration committee on all proposals relating to pay and reward for Senior Officers thus ensuring openness and accountability. This responsibility is delegated by Full Council to the Chief Officer Pay Panel.
- 1.7 This policy will be reviewed and approved annually by Full Council, and may be accessed via the Council's external web site.

2.0 SCOPE OF THE POLICY

- 2.1 The policy applies to all Chief Officers as defined by the Localism Act 2011.
- 2.2 The definition of Chief Officers (as set out in section (43(2)) of the Localism Act 2011 is not restricted to Heads of Paid Service and Directors. It also includes all other Senior Managers (statutory and non statutory officers) who report directly to them and to their direct reports termed as Deputy Chief Officers. That is the Head of Paid Service (Managing Director), Heads of Service and Section Heads.
- 2.3 The Council's post holders who fall within the definition of Chief Officers are as defined within the Council's Constitution and are shown in the following table:

Head of Paid Service	Managing Director
Shared Director of Finance	Director of Finance, Section 151 Officer (shared with and employed by Three Rivers District Council)
Heads of Service	Head of Democracy and Governance (Monitoring Officer) Head of Community and Customer Services Head of Regeneration and Development Head of Corporate Strategy and Client Services Head of Human Resources (shared with Three Rivers District Council) Head of Finance (shared with and employed by Three Rivers District Council) Head of Revenues and Benefits (shared with and employed by Three Rivers District Council)
Section Heads/Deputy Chief Officers	Section Heads and other managers that report directly to Officers outlined above.

- 2.4 The remuneration of the Managing Director, and Heads of Service was last determined by the Chief Officers' Pay Panel in 2013.
- 2.5 The Council shares a Director of Finance/ Section 151 Officer who is employed by Three Rivers District Council and remunerated in accordance with Three Rivers District Council Chief Officer pay rates for Directors.
- 2.6 The remuneration of the MD and Head of Service posts was subject to an external Pay and Grading review that was conducted by the Local Government Association (LGA), in 2013.

2.7 Pay bands are attached as Appendix 1.

3.0 TERMS AND CONDITIONS OF SERVICE

- 3.1 The Council's Chief officers, i.e. the Managing Director, Shared Director of Finance, and Heads of Service (non Shared Services) are engaged on Joint National Council (JNC) national terms and conditions of service.
- 3.2 The Council's Shared Head of Service and Section Heads (i.e. those who report directly to Heads of Service), are engaged on National Joint Council (NJC) national terms and conditions.
- 3.3 It should be noted that different national negotiating machinery applies across the senior management team.

4.0 PRINCIPLES

- 4.1 The Pay Policy reflects the aspirations of the Council's strategic road map and defines the Council's approach to managing reward that is guided by the following principles
- 4.2 All Council officer jobs are job evaluated using an analytical job evaluation scheme to allocate points to posts and establish relativity between all posts in the organisation.
- 4.3 The Council reviews appropriate external pay market information to ensure remuneration levels are consistent with Local Government, provide value for money for the taxpayer, and support the Council to remain competitive as an employer in areas of skills shortage.
- 4.4 If appropriate, market factors are applied to hard to fill posts. Where applied these supplements are reviewed annually in accordance with the market factor policy.
- 4.5 The MD receives a spot salary the level of which was reviewed in 2013.
- 4.6 Cost of living inflation increases for Chief Officer pay scales are awarded in accordance with the Joint National Council for Chief Executives and Chief Officers (JNC). Chief Officers are remunerated according to the pay scale applicable to their job, within a four grade pay model. Each grade has four incremental spinal column points, (see appendix 1). Progression within each grade is time based, subject to satisfactory performance and where appropriate awarded annually to the top of the grade, effective from 1 April.

The independent review conducted by the LGA in 2013 ensured that the pay scales of Chief Officers are comparable to rates of pay for similar jobs in similar sized local authorities in the outer London and Home Counties area.
- 4.7 Deputy Chief Officers, i.e. Section Heads are remunerated within the top three grades of an eleven grade pay model. Each grade has five incremental spinal column points, (see appendix 2).
- 4.8 The remuneration of a Chief Officer or Deputy Chief Officer on appointment will be at a point on the relevant pay scale for the job appropriate to their experience and salary level in the previous job.
- 4.9 It is not the policy of the Council to award bonuses to its Chief Officers.
- 4.10 The Council is committed to the principle of fairness; is clear about what people are being paid for, and is consistent, systematic and transparent when applying reward practices. Pay models have been developed based upon appropriate pay market information and ensure that the ratio of pay levels between the highest paid officer and the median/ mean average/ low paid earnings in the Council remains consistent and is not distorted as a result of pay awards.
- 4.11 The Council's lowest paid employees are those post holders whose jobs are graded in the lowest pay band, which is Band 3 in an 11 band pay model. Jobs are evaluated using the Local Government Job Evaluation scheme.

- 4.12 On resignation, the Chief Officer's last entitlement to pay will be the last day of service, taking into account notice period and any period of pay in lieu of notice.

Redundancy or early termination in the interests of the service and Pension Benefits of Chief Officers will be made in accordance with the Council's Redundancy and Early retirement and early termination compensation policies.

5.0 EQUALITIES

- 5.1 The Council is committed to equality of opportunity. All members of staff will be treated fairly based on ability, performance and contribution irrespective of their employment or contractual status and personal circumstances, i.e. part time, fixed term. The Council monitors equalities data and this policy shall be applied fairly, consistently and equitably for all employees irrespective of race, gender, disability, age, offending past, caring or dependency status, religion or belief, sexual orientation, marital or civil partnership status, pregnancy or maternity or gender identity and it is incumbent on those managing this policy to ensure that this is the case.

6.0 GRADING

6.1 Chief Officers – MD, Director and Heads of Service

- 6.1.2 Job Evaluation – posts were job evaluated by the LGA Senior Manager Job Evaluation Scheme. The salaries awarded reflect a compact management structure that is flatter due to the deletion of Director posts. Salaries for shared head of service reflect the complexity of providing shared services across multiple Councils. Salaries reflect the full range of duties within the role including any requirement for out of hours working.

6.2 Deputy Chief Officers - Section Heads

- 6.2.1 Job evaluation – All posts are job evaluated using the Local Government Job Evaluation Scheme (LGJES). The scheme is used to evaluate all non Chief Officer posts in the Council, ensuring relativity between all Council posts covered by NJC terms and conditions. The job evaluation policy should be consulted for further information.
- 6.2.2 Pay model - The pay model is presented in appendix 2
- 6.2.3 Labour market information – (E-paycheck/Croner) Reward Job Evaluation system and the Market Pay analysis for Public Services provide the sources of comparative pay information for all officer posts in hard to fill and areas of skills shortages within the Council. A market supplement currently applies to the following Deputy Chief Officer role and is reviewed annually in accordance with the Market Factor policy –

Regeneration & Property Section Head

6.3 All other posts in the Council

6.3.1 All other officer posts are job evaluated using the Local Government Job Evaluation Scheme (LGJES), and graded within one of the pay bands in the 11 grade pay model in appendix 2. No Council post is graded below Band 3, and minimum pay is £16,572 plus £824 London weighting allowance, (see 8.1 below). Where appropriate posts attract a market supplement and the market forces payments policy should be consulted for further information.

6.3.2 Market factor supplements currently apply to the following non Deputy Chief Officer posts in the Council

Senior Solicitor
Principal Management Surveyor
Property Manager
Community Safety Manager

7.0 INCREMENTS

7.1 Posts receive annual time based increments effective on 1 April until remuneration reaches the top of the grade.

7.2 On appointment, all posts will normally be remunerated at the lowest incremental spinal column point within the grade, (unless 4.8 applies above).

7.3.1 The Council applies the annual cost of living percentage increment as negotiated nationally by the NJC to the values of incremental spinal column points for Deputy and non Chief Officers as appropriate. A 2.2% pay increase was awarded effective from 1 January 2015.

7.4 The Council applies the annual cost of living percentage increase as negotiated nationally by the JNC to the values of the incremental spinal column points for Chief Officers as appropriate. A 2% pay increase was awarded effective 1 January 2015 (with the exception of the Head of Paid Service who did not receive a nationally negotiated pay increase).

8.0 ADDITIONAL PAYMENTS

8.1 London Weighting (LW) – is the inner fringe London Weighting Allowance and is negotiated as part of the national framework. LW is an additional payment that is made to all officers in the Council, and the rate is negotiated nationally by NJC.

8.2 Chief Officers' Travel Allowance (TA) - £300 per annum is a local allowance paid to all Chief Officers and Heads of Service (but not the Head of Paid Service). The TA payment is intended as compensation for travel around the Borough of Watford and Three Rivers District for which business mileage may not be claimed.

8.3 The Head of Paid Service receives additional payment for duties as Clerk to the West Herts. Crematorium, and fees for Returning Officer duties during elections as and when appropriate.

9.0 PERFORMANCE RELATED PAYMENTS AND BONUSES

9.1 The Council does not operate a performance related payments scheme.

10.0 LOCAL GOVERNMENT PENSION SCHEME (LGPS)

10.1 All officers are eligible to join and contribute to the Local Government Pension Scheme. Officer contribution rates are a percentage of their earnings. Levels of contribution are stated by the scheme, and are based on the whole time equivalent value of all contractual pay excluding any travel allowance payments. The employer's contribution to the scheme is 19%.

10.2 The table below provides the proposed Member contribution table for 2014.

Pay Bands	Contribution Rates
Up to £13,500	5.5%
£13,501 - £21,000	5.8%
£21,001 - £34,000	6.5%
£34,001 - £43,000	6.8%
£43,001 - £60,000	8.5%
£60,001 - £85,000	9.9%
£85,001 - £100,000	10.5%
£100,001 - £150,000	11.4%
Over £150,000	12.5%

10.2 The normal retirement age for the LGPS is State Pension Age, or age 65 (whichever is the higher).

10.3 With the exception of early retirement for the reason of permanent ill health (to which no age restrictions apply), the earliest age an officer can retire and receive pension benefits is 55.

10.4 Early retirement may be granted in the following circumstances:

- Early termination of employment for the reason of redundancy
- On ill health grounds
- On compassionate grounds
- Efficiency of the service
- Request to go

10.5 The Council's Redundancy, early retirement and early termination compensation, pension discretions should be consulted as appropriate for further information.

11.0 REDUNDANCY

11.1 In the event of redundancy, i.e. where a post to be vacated would not be replaced, the Council pays a redundancy payment by applying a 2.2 multiplier to each week's redundancy pay, thus providing up to a maximum of 66 weeks' pay based on contractual pay.

11.2 Officers aged 55 and above will retire in this circumstance and have access to their accrued pension benefit.

11.2 The Council does not augment additional pension membership; however the Officer may elect to purchase additional LGPS pension membership with the redundancy multiplier payment. Full details are specified in the Council's redundancy policy and this should be accessed for full details.

12.0 EARLY RETIREMENT FOR THE REASON OF ILL HEALTH

12.1 To qualify an officer must be confirmed by the Council's Medical Adviser as being permanently unable of discharging the duties of their employment because of ill health or infirmity and have a reduced likelihood of obtaining gainful employment before reaching age 65.

13.0 EARLY RETIREMENT ON COMPASSIONATE GROUNDS

13.1 To qualify an officer would have to have a compelling hardship or difficulty that would most usually be due to caring responsibilities.
