4.0 RESPONSIBLE AUTHORITIES

- 4.2 Environmental Health
No objections

5.0 CONDITIONS

- 5.1
- (1) A copy of the TEN must be prominently displayed on the premises or in the custody of the premises user or a nominated deputy, and must be produced on demand to an authorised officer.
 - (2) Where the relevant licensable activities include the supply of alcohol, all such supplies are to be made by or under the authority of the premises user.
 - (3) The premises user is subject to the other general enforcement provisions in the Licensing Act 2003, such as not allowing unauthorised licensable activities to take place.
 - (4) The Police and authorised officers have the power to enter premises where a TEN is in force to assess the impact of the notice on the crime prevention objective.
 - (5) The Police have powers to close premises instantly that are disorderly, likely to become disorderly or are causing nuisance as a result of noise from the premises.
 - (6) There are no powers for the licensing authority to modify the dates or hours given in the notice.

5.2 The Sub-committee may choose to attach one or more of the conditions from an existing premises licence where:

1. an objection notice has been received from a relevant person and not been withdrawn; and
2. the Licensing Sub-committee has chosen not to issue a counter notice.

Paragraph 7.28 of the statutory guidance also provides information on this matter.

5.3 This option is open to the Sub-committee in this case as the proposed premises does hold a premises licence. The existing licence is attached at appendix 2.

6.0 TEMPORARY EVENT NOTICES

- 6.1
- (1) Temporary event notices must be applied for no less than 10 days in advance of the proposed event. Notices given with between five and nine days' notice are still valid but are considered 'late temporary events notices'.
 - (2) No more than 499 people (including visitors, staff, stewards etc) may be present at any one time in premises covered by a TEN.
 - (3) Licensable activities under a TEN may not last for more than 168 hours

at a time. There must be a break of at least 24 hours between two TENS.

- (4) A personal licence holder may give a maximum of fifty TENS in any one calendar year (including 10 late TENS). A non-personal licence holder may give up to five TENS in a calendar year (including two late TENS).
- (5) No more than 12 TENS may be given in any one calendar year for any particular premises, and the maximum aggregate number of days must not exceed 21 days in a calendar year.
- (6) A TEN given by an “associate” (such as a spouse or employee) is counted towards these limits.
- (7) If the Sub-committee agrees that the relevant licensing objective/s would be undermined as a result of the TEN, it can issue a counter notice to the proposed premises user and to the relevant parties giving its reasons.
- (8) If the Sub-committee does not agree that the relevant licensing objective/s would be undermined as a result of the TEN, it must issue a notice to the proposed premises user and to the relevant parties giving its reasons, identifying where appropriate whether any conditions from an existing premises licence or club premises certificate are to be in force during the event.
- (9) There is a right of appeal to the Magistrates’ Court by the Police, Environmental Health, or the proposed premises user within 21 days of being notified of the decision of the licensing authority, providing it is no later than five working days before the day on which the proposed event is to take place.

7.0 OFFICERS’ OBSERVATIONS

- 7.1 Officers are aware that the Police have arranged a meeting with representatives of the premises on Thursday 15 October 2015 to discuss the Police objection. This report is published before this meeting is due to take place, and therefore officers advise that the outcome of this meeting should be discussed, as any agreements reached during this meeting may have an effect upon proceedings.
- 7.2 The Police’s objections are concerned with the management of the venue and their ability to hold a safe, responsible, event at the premises, including searching customers on entry, checking their ages, and confirming that they are not banned from the Town Centre venues, and the risk that these actions pose to the licensing objectives. The Police are also concerned that the premises may exceed their capacity, affecting public safety.
- 7.3 These concerns have arisen following recent incidents at the premises. In the Police objection, it is noted that these incidents occurred on Sunday 4 October 2015. Officers can confirm that the premises did benefit from a TEN on Sunday

4 October for the sale of alcohol, provision of regulated entertainment, and provision of late night refreshment, between 02:30 and 03:30. Prior to 02:30, the premises were operating under their existing Premises Licence. The TEN for 1 November 2015 is the first TEN received since the events of 4 October 2015.

- 7.4 The Sub-committee does have the power to impose one or more of the conditions from the existing Premises Licence for Eighty3 upon this TEN if the event is to be permitted. Officers consider that the following conditions would be appropriate to promote the licensing objectives and to address the Police's concerns:

Annex 2, Condition 9

Challenge 21 scheme to be adopted where photographic ID (UK driving licence, passport or other ID with PASS logo) must be asked for from any person appearing to be under the age of 21.

Annex 2, Condition 10

An ID scan system will be installed and used from 9pm on Monday, Thursday, Friday and Saturday and on any nights when the venue remains open beyond midnight and or door supervisors are present. If the system should breakdown then Police will be informed immediately and repair carried out as soon as practicable.

Annex 2, Condition 13

Random searching will take place of those suspected of carrying drugs or offensive weapons.

Annex 2, Condition 16

The maximum number of persons to be allowed on any one time in the Premises shall not exceed 400 people (including staff) at any one time.

Annex 2, Condition 17

An accurate record shall be kept of the number of persons admitted to the premises.

- 7.5 The conditions mentioned in paragraph 7.4 have been identified as being appropriate for the promotion of the licensing objectives and to address the Police's concerns due to the actions required under these conditions, such as requesting ID from certain customers, using the ID scan system, searching customers and having a set capacity limit.

This does not restrict the Sub-committee's power to attach conditions from the licence that they consider are appropriate to promote the licensing objectives and address the Police's concerns. Members are reminded that they do not have the power to attach any other conditions to this notice, or to amend the wording of existing licence conditions.

- 7.6 Officers advise that the licensing authority's Statement of Licensing Policy states that, where objections are received against a premises which falls within

the Town Centre as defined by Policy LP3, as this premises does, that the TEN will be considered on its own merits.

- 7.7 The Sub-committee is reminded of their duty under the Crime and Disorder Act 1998 to consider the crime and disorder implications of their decisions and the authority's responsibility to co-operate in the reduction of crime and disorder in the Borough.
- 7.8 The Sub-committee is reminded that the Human Rights Act 1998 guarantees the right to a fair hearing for all parties in the determination of their civil rights. The Act also provides for the protection of property, which may include licences in existence, and the protection of private and family life.
- 7.9 The officers' observations and the comments regarding the representations are in no way meant to bind Members. They are for guidance only and Members may attach whatever weight they see fit.

To prevent crime and disorder	Yes	A Temporary Event Notice has been received from Bar Eighty3, 83 High Street, Watford to extend their hours on Sunday 1/11/15.
Public Safety	Yes	<p>Hours requested: Alcohol until 03:30 to allow 30mins drinking up time Close 04:00</p> <p>I have concerns with regards to this application due to a recent incident associated with the venue on Sat night 3/10/15 into Sun 4/10/15.</p> <p>To summarise 10 persons were able to enter the venue via the rear fire exit at appx 00:50hrs on 4/10/15 meaning they would not have been put through Scannet, not searched for drugs or weapons, checked their age or as to whether they were already banned from venues. It appears on CCTV that within a few minutes another group of about 9 people attempt to gain access via the same rear fire door but are prevented from doing so by the police. By refusing people entering through this fire door could lead to further incidents, removing staff from the other areas of the venue where they are required. It was noted on the night that police were told by doorstaff that the manager had allowed this to happen against their wishes. This is of a major concern to us if this is the case as there seems to be a lack of responsibility on behalf of the management. There was an ABH outside the venue at 01:10hrs whereby a male assaulted a female and he was arrested for this offence.</p> <p>We were also informed by the doorstaff on the night that their capacity numbers at 01:00hrs were 395, which means that they were over on numbers in their venue as their capacity is 400 including staff and doorstaff, (they had 5 doorstaff on that evening). This therefore goes against the licensing objective for public safety as well as crime and disorder.</p>

		<p>There was an incident inside the venue that morning as well at appx 03:00hrs where the patrons of the venue were asked to leave, therefore causing 150/200 people to be dispersed at the same time. This took all our police resources for that evening in addition to 4 more officers brought over from another area to assist with the crowd. I was informed this was an argument but then was it conducive to disperse everyone together. Effective gradual dispersal is vital to prevent crime and disorder. This incident occurred during their extension to their normal hours and this TEN is requesting exactly the same time period.</p> <p>In summary we feel if this were to be granted it would be detrimental to policing in Watford and the community in its entirety.</p> <p>This therefore raises strong concerns of how this would impact the wider community in terms of increased Anti-Social Behaviour and Crime and Disorder.</p> <p>The Constabulary have concerns regarding this application and accordingly on behalf of the Chief Constable I represent against it.</p>
