3.0 **DETAILED PROPOSAL**

3.1 In May 2015 Councillor Martins submitted a scrutiny proposal form requesting a review of the town's conservation areas.

3.2 In accordance with normal practice the proposal was submitted to the relevant Head of Service for their views. The Head of Regeneration and Development in turn forwarded the proposal to the Planning Policy Team for their comments.

3.3 The Senior Planner (Design and Conservation) responded and he suggested that many aspects of the original proposal were already in place.

- 3.4 It was then suggested that a meeting be arranged to discuss the suggestion and to consider whether there were any aspects that could be developed into a review.
- 3.5 A meeting was arranged for 29 June 2015, Councillor Martins, the Head of Regeneration and Development, Senior Planner (Design and Conservation) and Committee and Scrutiny Officer attended the meeting. An updated proposal was agreed and forwarded to Overview and Scrutiny Committee for Members to consider whether a Task Group should be established.
- 3.6 Overview and Scrutiny Committee considered the suggestion at its meeting on 20 July 2015. Following a discussion it was agreed that a Task Group should be set up and all non-Executive Councillors should be invited to participate. Due to the timings of the meetings it was agreed that the Task Group's membership would be delegated to the Head of Democracy and Governance in consultation with the Chair of Overview and Scrutiny Committee.
- 3.7 Initially six Councillors expressed an interest in participating in the new Task Group, however Councillor Joynes agreed to remove her name from the list, as Task Group's were limited to a maximum of five Members. At Overview and Scrutiny Committee's meeting on 24 September, Members were informed that the Task Group would comprise Councillors Martins, Collett, Dhindsa, Haley and Topping. Prior to the Task Group's first meeting Councillor Dhindsa advised that he would no longer be able to participate. Councillor Joynes was informed and offered the opportunity to join the Task Group, which she accepted.
- 3.8 The Task Group has met on four occasions, the last of which was on Tuesday 2 February 2016. At that meeting the Members discussed their recommendations. Since then the Committee and Scrutiny Support Officer and Committee and Scrutiny Officer have worked on putting together the final report, which is attached at Appendix A. The Task Group have been kept informed about the final report and forwarded the final draft.

Community Engagement

- 3.9 Early on the Task Group decided it wanted to gather views from local residents about conservation areas and their understanding of any implications on them. It was agreed that a drop in session would be arranged and an online survey developed.
- 3.10 The Committee and Scrutiny Officer and Committee and Scrutiny Support Officer worked with the Communications Team on developing a poster and leaflet. The leaflet was distributed to all those residents living in a conservation area, setting out details of the drop in session at the Town Hall and the online survey. The identical poster was initially distributed to all Ward Councillors and the Task Group Members asking them to promote the survey to their residents and displaying the posters where possible. Following a request from Councillor Dhindsa the poster was later distributed to all those Councillors who had not received a copy.
- 3.11 Eleven residents attended the drop in session on 26 January 2016. They spoke to the Task Group and provided their views about conservation areas and the impact of developments just outside the designated boundaries.

- 3.12 The online survey, which ran from 13 January until 1 February, had 131 responses. In order to increase awareness of the survey it was referenced in the Mayor's newsletter and officers paid to have a Facebook boost. On each of these occasions there was a spike in the number of responses. This has provided officers with useful ideas on how to promote events and surveys in the future and how long the preparation can take to ensure it is carried out properly.
- 3.13 All those who responded to the survey online or in person will be sent a copy of the report. The majority of people will receive it by email and advised where it can be found in the 'Scrutiny Task Group Reports Library'. Those residents who have only provided their address will receive a paper copy.
- 3.14 The Task Group's report and recommendations will be presented to Cabinet on Monday 7 March 2016 for consideration. Any comments will then be presented to Overview and Scrutiny Committee at its first meeting in the new Municipal Year, Thursday 23 June 2016.
- 3.15 Overview and Scrutiny Committee is asked to review the report and recommendations prior to its presentation to Cabinet.
