Dear Mr Young
re: Licensing Act 2003
Watford Football Club, Vicarage Road Stadium, Vicarage
Road, Watford - Application for A New Premises Licence

I am putting pen to paper to object against the above application being granted to Watford Football Club due to the impact it will have on my Wellbeing and personal property.

Granting such a licence to Watford Football Club will lead to:

- untold disturbance and disorder in the vicinity and crimes against residential properties backing onto Occupation Road.
- Too much late night noise
- Properties backing onto Occupation Road will be greatly affected by the regulated Entertainment and other aspects of this licence activities.

Yours sincerely
