Subject: objection for DKSR supermarket premises licence

Dear Mrs P Seyan,

I licence holder of 150, whippendell road haven't received any letter stating that DKSR supermarket has applied for premises licence thorough FJF licencing solution

i object for granting DKSR supermarket a premises licence on the following grounds,

1. He is already selling alcohol without having a licence to sell as we have same customers those who come to us and inform us about the selling he dose.
2. His licence have been revoked twice before for illegal activity.
3. His shop has a bus stop just out side so if he gets a licence then it will attract more street drinkers and will create anti-social behavior around bus stop .as all street drinkers will gather at bus stop sitting on the benches drinking and blocking it and will make almost impossible for passengers to pass by as it is there is not enough space to pass by .
- 4.owner is still the same but he is trying to get hold of licence on different family members name to bypass regulations as previously.

From ,

Prajco

150, whippendell road
