

[illegible]

1 - North West Facing Front Elevation

2 - South West Facing Side Elevation

3 - South East Facing Rear Elevation

4 - North East Facing Side Elevation

Proposed Drive Thru

Material Specification

Roof

1. Rigid coated metal roof profile in or nears grey R10.

Fascia and Sill

2a. FFC metal fascia in or nears grey R10.

2b. Aluminum soffit in or nears grey R10.

Walls

3a. Rigid coated metal wall profile in or nears grey R10.

3b. Rigid coated metal wall profile in or nears grey R10.

3c. Rigid coated metal wall profile in or nears grey R10.

Skirting

4. FFC glass curtain wall in or nears grey R10.

Service Door

5. FFC metal curtain door in or nears grey R10.

Signage

6. Illuminated sign in or nears grey R10.

Lighting

7. Linear recessed light.

Storage

8. 30 gauge zinc steel in or nears grey R10.

Lighting

9. Aluminum recessed light in or nears grey R10.

Interior

10. FFC metal wall in or nears grey R10.

Valve

11. Concrete in or nears grey R10.

Table of Materials

Item	Material	Quantity	Unit
1	Rigid coated metal roof profile	100	Sq. Ft.
2a	FFC metal fascia	100	Lf.
2b	Aluminum soffit	100	Sq. Ft.
3a	Rigid coated metal wall profile	100	Sq. Ft.
3b	Rigid coated metal wall profile	100	Sq. Ft.
3c	Rigid coated metal wall profile	100	Sq. Ft.
4	FFC glass curtain wall	100	Sq. Ft.
5	FFC metal curtain door	100	Sq. Ft.
6	Illuminated sign	100	Sq. Ft.
7	Linear recessed light	100	Lf.
8	30 gauge zinc steel	100	Sq. Ft.
9	Aluminum recessed light	100	Sq. Ft.
10	FFC metal wall	100	Sq. Ft.
11	Concrete	100	Sq. Ft.
