

Delivery Plan Overview

THEME: A greener brighter future

Key achievements over this period

- The planned works at Cassiobury Wetlands were completed in December 2023 and closure signs have been displayed to allow the wetlands to recover this winter. When the site is re-opened, visitors will be encouraged to visit, explore and engage with the nature reserve, whilst managing access to protect biodiversity. There will also be opportunities for community engagement with schools undertaking educational visits and volunteers maintaining habitats.
- All planned trees (200+) for 2023/24 planted ahead of schedule including 121 trees funded by £75k Treescape funding. Successful tree giveaway event held at Woodside in December 2023, a joint initiative with HCC, with over 9000 trees collected.
- £35k Garfield Weston funding has been successfully secured for delivery of the Rediscovering River Colne Programme
- Stage 2 of the options and feasibility study for the Watford to Croxley Link is now complete and the draft report finalised.
 Stakeholder engagement will be undertaken and the findings published in the new year.

THEME: An inspiring, thriving and creative town

Overview

Key achievements over this period

- £16m was provisionally award from the third round of the Levelling Up Fund from central government towards the delivery of the Innovation & Incubation Hub and the Colosseum refurbishment.
- The Watford Skills and Employment Plan has been drafted is and going through the approvals process. Once approved, West Herts College will coordinate the associated Action Plan and will bring together relevant skills and education providers to form the Watford Skills and Employment Group.
- A Business Feedback Group was convened for the first time in November 2023 to help with thoughts and comments on the new Place Brand. The group will also help with feedback on other council initiatives over the coming months.
- Construction of the Gateway at Watford Business Park is complete and a partial possession certificate has been issued for the buildings. There is already a good level of interest in the new facility. Heads of Terms (HoTs) for two units have been agreed and two further HoTs are currently underway. A café operator for the facility has been agreed. Practical Completion is expected in the next quarter.

THEME: A diverse, happy and healthy town

Overview

Key achievements over this period

- Demand at the new crematorium continues to exceed original estimates and by mid-December, 223 funerals had been completed. Feedback from users (funeral directors and the bereaved) continue to be overwhelmingly positive. The new facility has been shortlisted for a Civic Trust award.
- The new Voluntary Sector Commissioning Framework (VSCF), developed through extensive engagement with commissioned organisations, was approved by Cabinet in October 2023 alongside the proposed changes to funding from 2024/25. Service Level Agreements are being drafted for commissioned organisations.
- The council's Community Asset Strategy and Community Lettings Policy were approved by Cabinet in November 2023.
- Continuing engagement with health partners and representing the health and wellbeing needs of Watford residents, including attendance at flu and covid booster clinics and women's wellness session.
- Marked White Ribbon Day in November 2023 by delivering activities including training for council staff.
- The Community Engagement and Participation Strategy, which provides strategic direction and action planning on a council-wide approach to how we engage with our community, was approved.
- The council's Equality, Diversity and Inclusion (EDI) policy and Delivery Plan, which covers the council's role as an employer as well as a service provider and convener of place, were approved.

THEME: A council working for our community and serving our residents

Overview

Key achievements over this period

- We are leading by example in the delivery of the council's Environmental Strategy. 23 colleagues have attended the Climate Literacy training and received Carbon Literacy certification.
- The council's Continuous Improvement Framework, which formalises the process for continual improvement of our processes and service delivery, was approved by Cabinet in November 2023.
- The council's four-year ICT Strategy has been approved and ready for delivery. The Strategy will ensure we continue to deliver and keep pace with the rapidly changing landscape both within technology developments and across the cyber security threats which upon the council.
- As part of our commitment to support the health and wellbeing of employees, Lunch and Learn sessions are planned for the next few months with the first session 'Winter Wellness' in January 2024.
- Successful 'Living the Values' event was held to further embed the council's six corporate values: Agile, Bold, Integrity, Respect, Trust and Working Together.
