5.	HOW DECISION WAS REACHED (i.e. factors taken into account in reaching this decision)	Through the County Council's Cycling budgets and successful Local Sustainable Transport Fund bid to the Department for Transport the County Council are keen for the new cycle stands to be introduced with financial year 2012-13. HCC will provide the funding for purchasing the stands, installation costs, minor construction works and de-cluttering of redundant signage in the areas of the stands.
