The current licence is attached as appendix 3.

27 December 2013

4.5 Public notice published in newspaper

As required under the Licensing Act 2003, this application has been advertised in the local newspaper (dated 6 December 2013) and also outside the premises.

4.6 Visits and Enforcement action

Concerns were raised by a member of the public in September 2012 that a reduction in door staff at the venue was resulting in an increase in under-age drinking and related anti-social behaviour.

The premises was visited by the Licensing Enforcement Officer and nothing unusual was noted. As a precaution, the premises were flagged for monitoring by the Police and the Anti-Social Behaviour Action Group (ASBAG) in case of an increase in anti-social behaviour. However, ASBAG found that there is no empiric data to support additional concerns to the running of the premises, and no further incidents have been logged with the licensing authority.

The last routine inspection was April 2011. No concerns were recorded.

5.0 **PROMOTION OF LICENSING OBJECTIVES**

5.1 The application indicates that the applicant does not feel there is a need to take any additional steps in order to promote the licensing objectives.

The existing licence and conditions which apply to this premises are attached at appendix 3

6.0 **RESPONSIBLE AUTHORITIES**

6.1 No representations have been received from any responsible authority.

7.0 **INTERESTED PARTIES**

This public nuisance is said to be an existing problem and there are concerns that this will worsen or extend later into the night should this variation be granted.

8.0 POLICY CONSIDERATIONS

8.1 The following provisions of the Licensing Act 2003 apply to this application:

- Section 34 and 35 (Variation of licences):
Section 34 details how a licence holder can make an application. Section 35 details how determinations will be made when an application is made under section 34.

8.2 The following provisions of the Secretary of State's guidance apply to this application:

- Paragraphs 8.33 - 8.41:
These paragraphs explain how steps should be taken to promote the licensing objectives. It is for the Sub-Committee to decide in light of this guidance whether the measures offered by the applicant are adequate and likely to promote the licensing objectives. It is equally

important to use the same measure when looking at any steps requested by a party making representation against an application.

- Paragraph 10.12:
This paragraph refers to there being no general presumption in favour of lengthening licensing hours and how a committee may act when they receive objections to an application.
- Chapter 10:
This chapter looks at best practice in relation to conditions that may be attached to a premises licence by the Sub-Committee, should they believe that these are necessary to promote the licensing objectives. Any additional conditions requested by the responsible authorities should be considered with reference to this chapter.

8.3 The following paragraphs of the licensing authority's statement of licensing policy apply to this application:

- Policy LP1 (Premises Definitions):
Under this policy the premises are defined as an "Other entertainment venue".
- Policy LP2 (Location and Operation of Premises):
This policy sets out the approach to licensing premises when relevant representations are received, notwithstanding that each application is considered on its own merits.

Under this policy the premises are defined as being in a "Leisure or shopping area".

- Policy LP8 (Prevention of Public Nuisance):
Under this policy the committee will consider any necessary measures to deal with the potential for public nuisance and/or anti-social behaviour where relevant representations have been received.
- Policy LP11 (Representations against Applications):
This policy recommends the type of information that should be included in a representation. It also explains how representations will be dealt with.

8.4 The Committee is reminded of their duty under the Crime and Disorder Act 1998 to consider the crime and disorder implications of their decisions and the authority's responsibility to co-operate in the reduction of crime and disorder in the Borough.

8.5 The Committee is reminded that the Human Rights Act 1998 guarantees the right to a fair hearing for all parties in the determination of their civil rights. The Act also provides for the protection of property, which may include licences in existence, and the protection of private and family life.

9.0 RELEVANT TRADE OR OTHER GUIDANCE

9.1 None

10.0 CONDITIONS

10.1 Members will be aware that an operating schedule forms part of the licensing process. This document outlines what activities are proposed, the opening hours, how the activities will be managed particularly in respect of the licensing objectives. The most critical part of the operating schedule is the steps taken by the applicant to promote the four licensing objectives. Applicants are always recommended to take careful consideration as to what is entered in this section as whatever is proposed will be translated as conditions on the licence. Applicants should give consideration to the local area and reflect this in their application. They should demonstrate an awareness of the local community, local crime and disorder issues, and environment.

10.2 The applicant has not listed any additional steps in their operating schedule, and instead state that they will rely on their existing operating schedule and conditions. The conditions which currently apply to this premises are contained within the current licence which is attached as appendix 3.

10.3 The licensing authority also has its own pool of model conditions. Officers would suggest the following condition as appropriate given the concerns raised in the representations with regards to customers making noise when leaving the premises:

1. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and leave the area quietly.

This does not restrict the Sub-Committee's power to attach conditions from the pool (amended or otherwise) if they consider that they are appropriate, proportionate, justifiable, and within the applicant's power to comply with.

11.0 OFFICERS' OBSERVATIONS

11.1 The representations question the licensing authority's classification of this premises as being in a 'leisure or shopping area' under policy LP2. This is of some importance because if the premises is said to fall within a residential area, Members may be able to use the policy to limit the hours to midnight if they feel it appropriate for the promotion of the licensing objectives.

11.2 Previous reports for this premises, as well as for other operators within the leisure park, have defined this area as a 'leisure or shopping area', and officers do not feel that there have been any changes in circumstances to warrant considering this location as anything else. The premises is situated within a purpose-built leisure park with a cinema, restaurants, and children's play centre providing leisure facilities.

- 11.3 The Sub Committee's attention is drawn to paragraph 2.24 of the statutory guidance which states that licence-holders cannot be held responsible for the conduct of their patrons once they leave the premises.
- 11.4 This is also reflected in the representations from residents; that once customers have left the Hollywood Bowl they are not in the control of the licensee.
- 11.5 The representations refer to existing occasional disturbances. However, it is not stated if these disturbances are currently caused by patrons of Hollywood Bowl, and simply state that they are caused by people leaving the leisure park. Hollywood Bowl are one operator within this leisure park.
- 11.6 The Sub-Committee may wish to note that the majority of representations are from one road, Lamb Close. That road is itself a cul-de-sac and Members may wish to consider the probability of customers leaving Hollywood Bowl late at night on foot before crossing over the A405 dual carriageway and down Sheepcot Lane in order to travel down Lamb Close unless, they are residents there themselves.
- 11.7 Members should be wary about refusing this application or imposing conditions unless they are satisfied that there is a direct link between Hollywood Bowl and their patrons. and the disturbances mentioned in the representations.
- 11.8 Paragraph 3.6 lists the non standard timings which are currently permitted by Hollywood Bowl's existing licence. These hours have already been granted, and are not subject to change as a result of this application. The terminal hour for activities on these days is either 1am or 2am. There are no records to suggest that, if these extra hours have been utilised, there have been any incidents.
- 11.9 Representations A through N are identical. Representations O and P are identical to each other, and are very similar to representations A through N. It is for the Sub-Committee to decide whether to treat each representation as an individual representation, or regard these as petitions with names and addresses and to place appropriate weight to them either individually or as a whole. The Sub-Committee is asked to state in its determination how it has approached this issue as it may be relevant in any future proceedings.
- 11.10 The representations make reference to a previous application submitted by Hollywood Bowl in 2002 and an application submitted by Vue Cinemas in 2012. They also raise concerns that, should this application be granted, other operators within the leisure park will apply to extend their hours. Members are reminded that each application is to be treated on its own merits, and therefore can not take into account previous applications by this premises or any other premises, or whether the grant of this application may result in other premises submitting applications to vary their existing licences.

- 11.11 The Sub-Committee are reminded that they have a duty to “have regard” to the Licensing policy but are not bound by it. However, should Members wish to depart from the policy then detailed reasons for this must be given as part of any decision.
- 11.12 In light of the hours requested and representations received it is for Members to decide whether granting this application is likely to undermine the licensing objectives.

Dear Sir/Madam,

Re: Licence Variation Application
-Hollywood Bowl, Woodside Leisure Park

We refer to the above application to extend the sale of alcohol until 01.00am and wish to register the strongest objection to this being given approval.

Our home in Lamb Close is located adjacent to the only entry/exit to the Woodside Leisure Complex and it is unreal to believe we will not be adversely affected by any resulting public disorder, public nuisance and noise disturbance.

Our objections are as follows:-

We are in a residential area in which alcohol licensing to such entertainment premises may and should be limited to midnight.

Customers departing the Woodside Leisure Complex whether in transport or on foot have to leave by the exit adjacent to our home.

Despite any assurances which may be offered, once customers have left the Hollywood Bowl they are not in the control of the licensee who will therefore be unable to prevent or control any public disorder, public nuisance or noise disturbance.

The noise of such disturbances carries in the dark hours as we have experienced at a time when residents, some of whom will be rising for work in just a few hours are endeavouring to sleep.

The application is not conducive to the prevention of anti social behaviour. As indicated above we have already been subjected to occasional noise disturbance from rowdy customers departing the Woodside Leisure Complex.

Should any departing customers be minded to commit any public disorder in the early hours our residential area may be targeted as we are subjected to total darkness with the policy to switch off street lights from midnight to 06.00am.

Existing licensing controls were awarded on a sound basis to the Woodside Leisure Complex entertainment facilities and after hearing and accepting the concerns of local

residents Hollywood Bowl had the good grace and commonsense to withdraw an application for alcohol licensing beyond midnight in 2002. We would hope that they will respond sensibly again. On that occasion your Environmental Health Department was involved and trust that they will be on this occasion.

Hollywood Bowl may have approvals in place for extended licensing hours in other locations but as stated above this is a residential neighbourhood and this should be the prime consideration. On this point may we make reference to a previous application of a similar nature in 2012 by Vue Cinema and a report drawn up by your Officers in which their observations 'based on current legislation and guidelines' concluded that the Woodside Leisure Complex is not in a residential area. We find this incomprehensible particularly in relation to St Michael's Drive and also when Jarmans Park in Hemel Hempstead is a leisure complex at a greater distance from any houses yet has a large sign in the main entertainment building which reads: RESIDENTIAL AREA-PLEASE LEAVE QUIETLY. We would hope and wish that your decisions serve Watford residents with the same consideration.

Discussions among our local residents do not support this application nor would those spoken to wish to utilise it. This therefore implies that those who would have no duty of care to the actual residents.

Finally we trust that this application will be rejected. Should this not be the case you will open up the way for such alcohol licensing for all the remainder of the Woodside entertainment premises and life could become unbearable for the local residents.

Yours faithfully,

Re: Licence Variation Application
-Hollywood Bowl, Woodside Leisure Park

We refer to the above application to extend the sale of alcohol until 01.00am and wish to register the strongest objection to this being given approval.

Our home in Lamb Close is located adjacent to the only entry/exit to the Woodside Leisure Complex and it is unreal to believe we will not be adversely affected by any resulting public disorder, public nuisance and noise disturbance.

Our objections are as follows:-

We are in a residential area in which alcohol licensing to such entertainment premises may and should be limited to midnight.

Customers departing the Woodside Leisure Complex whether in transport or on foot have to leave by the exit adjacent to our home.

Despite any assurances which may be offered, once customers have left the Hollywood Bowl they are not in the control of the licensee who will therefore be unable to prevent or control any public disorder, public nuisance or noise disturbance.

The noise of such disturbances carries in the dark hours as we have experienced at a time when residents, some of whom will be rising for work in just a few hours are endeavouring to sleep.

The application is not conducive to the prevention of anti social behaviour. As indicated above we have already been subjected to occasional noise disturbance from rowdy customers departing the Woodside Leisure Complex.

The application is not conducive to the prevention of anti social behaviour. As indicated above we have already been subjected to occasional noise disturbance from rowdy customers departing the Woodside Leisure Complex.

Should any departing customers be minded to commit any public disorder in the early hours our residential area may be targeted as we are subjected to total darkness with the policy to switch off street lights from midnight to 06.00am.

Existing licensing controls were awarded on a sound basis to the Woodside Leisure Complex entertainment facilities and after hearing and accepting the concerns of local

residents Hollywood Bowl had the good grace and commonsense to withdraw an application for alcohol licensing beyond midnight in 2002. We would hope that they will respond sensibly again. On that occasion your Environmental Health Department was involved and trust that they will be on this occasion.

Hollywood Bowl may have approvals in place for extended licensing hours in other locations but as stated above this is a residential neighbourhood and this should be the prime consideration. On this point may we make reference to a previous application of a similar nature in 2012 by Vue Cinema and a report drawn up by your Officers in which their observations 'based on current legislation and guidelines' concluded that the Woodside Leisure Complex is not in a residential area. We find this incomprehensible particularly in relation to St Michael's Drive and also when Jarmans Park in Hemel Hempstead is a leisure complex at a greater distance from any houses yet has a large sign in the main entertainment building which reads: RESIDENTIAL AREA-PLEASE LEAVE QUIETLY. We would hope and wish that your decisions serve Watford residents with the same consideration.

Discussions among our local residents do not support this application nor would those spoken to wish to utilise it. This therefore implies that those who would have no duty of care to the actual residents.

Finally we trust that this application will be rejected. Should this not be the case you will open up the way for such alcohol licensing for all the remainder of the Woodside entertainment premises and life could become unbearable for the local residents.

Yours faithfully,

Dear Sir/Madam,

Re: Licence Variation Application
-Hollywood Bowl, Woodside Leisure Park

We refer to the above application to extend the sale of alcohol until 01.00am and wish to register the strongest objection to this being given approval.

Our home in Lamb Close is located adjacent to the only entry/exit to the Woodside Leisure Complex and it is unreal to believe we will not be adversely affected by any resulting public disorder, public nuisance and noise disturbance.

Our objections are as follows:-

We are in a residential area in which alcohol licensing to such entertainment premises may and should be limited to midnight.

Customers departing the Woodside Leisure Complex whether in transport or on foot have to leave by the exit adjacent to our home.

Despite any assurances which may be offered, once customers have left the Hollywood Bowl they are not in the control of the licensee who will therefore be unable to prevent or control any public disorder, public nuisance or noise disturbance.

The noise of such disturbances carries in the dark hours as we have experienced at a time when residents, some of whom will be rising for work in just a few hours are endeavouring to sleep.

The application is not conducive to the prevention of anti social behaviour. As indicated above we have already been subjected to occasional noise disturbance from rowdy customers departing the Woodside Leisure Complex.

Should any departing customers be minded to commit any public disorder in the early hours our residential area may be targeted as we are subjected to total darkness with the policy to switch off street lights from midnight to 06.00am.

Hollywood Bowl may have approvals in place for extended licensing hours in other locations but as stated above this is a residential neighbourhood and this should be the prime consideration. Whilst this site, having been previously a Golf Driving Range, might well not be officially classed as a residential site, it is clearly situated in the residential suburbs of Watford and is surrounded by residential properties, and as such residents should not have to put up with disturbance that will occur by granting an alcohol licence to 1am.

Finally we trust that this application will be rejected. Should this not be the case you will open up the way for such alcohol licensing for all the remainder of the Woodside entertainment premises and life could become unbearable for the local residents.
