11. MOTIONS SUBMITTED UNDER COUNCIL PROCEDURE RULE 13.0

1. The following motion has been proposed by Councillor Sharpe and seconded by Councillor Taylor:

“This council notes that

- *Hertfordshire County Council is proposing further significant cuts to bus services across the county as part of its budget for 2016–17.*
- *This is part of £20 million cuts envisaged in the county council’s budget proposals, alongside a 3.99% (maximum possible) council tax rise.*
- *Among the proposals is a possible axing of the £390,000 grant to Transport for London for routes that cross the boundary between Hertfordshire and Greater London, which could threaten the popular 142 and 258 routes from Watford to Brent Cross and Harrow.*
- *This follows a £1.5 million cut in funding for bus routes by the county council last year.*

This council believes that

- *These routes provide an essential service to students attending the Bushey schools, as well as to passengers travelling to destinations in North London, including accessing the Underground network.*
- *The financial settlement from the Conservative government is forcing drastic cuts on local communities, the county council should make every effort to protect vital public transport routes, such as the 142 and 258.*

This council calls on Hertfordshire County Council to ensure that any arrangement with Transport for London maintains the current level of service on the 142 and 258 routes.”

2. The following motion has been proposed by Councillor Haley and seconded by Councillor Dhindsa

“This council notes the massive disruption caused by the poorly planned road works on Wiggshall Road that had been continuous for the last two weeks and is ongoing.

This disruption is creating havoc for local residents, particularly in Watford Fields and West Watford, with short journeys across Watford taking hours. Workers are finding it difficult to get to work on time, and students are being late for school.

The disruption is also having a detrimental effect on the local economy as shoppers avoid coming into town, and local businesses are being hit.

The ill planned works have created a rat-run through Watford Fields, as forewarned by the Watford Fields Residents Association, past a popular local school.

The mayor promised that disruption would be kept to "a minimum" but the everyday gridlock caused by this poorly planned road closure demonstrates the

incompetency of this fading and tired regime.

Council is called upon to take immediate action and work with Herts County Council to reduce the detrimental impact of the road works, and that for any future large scale road closures that Watford Council consults and engages with residents who would be directly affected when plans are being formulated and not when they are about to be implemented.”

3. The following motion has been proposed by Councillor Rogers and seconded by Councillor Mehta

“Warner Brothers Studio Expansion.

Council notes the continued success of the Warner Brothers Studios and Harry Potter Tours, as well as the significant benefits these have brought to the area, including the positive manner in which they communicate with local residents. Additionally, Council welcomes the positive manner in which the local residents in Woodside regard the Studios and their operations.

Council welcomes the application of Warner Brothers Studios for further expansion of the Leavesden Studios filming facilities and Tours and notes the confidence this shows in our local area. The Council looks forward to working with Warner Brothers and Three Rivers District Council on their future plans which bring so much pleasure to so many.

Council therefore requests that the Mayor writes to Warner Brothers with this message.”
