## **Agenda**

### **Part A – Open to the Public**

#### **1. Petition - Northfield Gardens**

A petition has been received from Watford Borough Council which the chair has agreed to receive at this meeting. At the time of agenda publication the petition had 37 signatures including 34 from Watford residents:

“We the undersigned petition the council to make Northfield Gardens a safer place for children, parents and carers who are crossing the road to and from school before someone gets seriously hurt. What is it going to take before someone listens?”

The council really needs to consider putting in bollards, railings or some sort of crossing to stop negligent drivers compromising the safety of our children on their journey to and from school. The parking over driveways, on the yellow lines and on the school yellow zig zag lines is just getting worse and someone will end up getting seriously hurt!”

#### **4. Town Centre (public realm projects - Clarendon Road) (Odette Carter, HCC)**
