#### Your work with Constituents and in the Community.

**Please tell us about the work in your ward and for the council, you may wish to mention the following:**

- I have visited meetings at Watford Housing
- I attend the regular monthly committee meeting of local residents associations.
- Helped with events organised by residents associations such as the CRA Fun Day; where I helped to set up marquees at the start. I also helped with stalls throughout the day and helped to take down the marquees at the end of the day.
- Attended many of the launches of various events throughout the year, such as the ice rink and the Big Beach and Imagine.
- Attended various Development Management qualifying me to sit as a substitute committee member and also helping me to explain the complexity of planning policy to my residents.
- I have attended Development Management Committee meeting to speak on behalf of the residents with my ward.
- I have attended Housing Policy Advisory Group meetings to improve my understanding of the work completed by the housing team.
