Annex 1 – Mandatory conditions

- No supply of alcohol may be made under the premises licence –
 - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
 - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
- (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—
 - (a) a holographic mark, or
 - (b) an ultraviolet feature.
- A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

For the purposes of this condition -

- (a) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
- (b) “permitted price” is the price found by applying the formula –

$$P = D + (D \times V)$$

where -

- (i) P is the permitted price,
 - (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence -
- (i) the holder of the premises licence,
 - (ii) the designated premises supervisor (if any) in respect of such a licence, or
 - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;

- (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
- (e) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.

- Where the permitted price would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
- (1) Sub-paragraph (2) applies where the permitted price on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Annex 2 – Conditions consistent with the Operating Schedule

The following conditions were agreed between the applicant and the Police to form part of the operating schedule for the application:

3. All orders of alcohol shall only be accepted if they are made remotely.
4. The Premises Licence holder shall ensure that customers may only attend the premises in person by prearranged single time slot appointment only.

The following condition is adapted from the applicant's original operating schedule, and is proposed by officers as being consistent with the operating schedule:

However, this does not restrict the Sub-Committee’s power to attach conditions from the licensing authority’s pool of model conditions (amended or otherwise), to modify any conditions which have been proposed by the responsible authorities, or to compose their own conditions if they consider that they are appropriate, proportionate, justifiable, and within the applicant’s power to comply with,.
