

WATFORD BOROUGH COUNCIL

THE BOROUGH OF WATFORD (WATFORD) (CONTROLLED PARKING ZONES) (CONSOLIDATION) ORDER 2018 (AMENDMENT) (NO. 5) ORDER 2020

STATEMENT OF REASONS

Adjustments are made to the residents permit parking bays in Church Road, Prince Street and St Johns Road to meet residents' vehicle access requirements.

Anomalies between the Traffic Regulation Orders and the on-street signing are corrected for King Street, Cassiobury Drive and Gartlet Road. The current waiting restrictions on the south east side of Rosslyn Road are transferred to the Controlled Parking Zones Order to give uniformity with the parking arrangements on the north west side. Amendments are made to the current CPZ Order re Shaftesbury Road to accurately reflect the arrangements for a bay for electric charging vehicles.

The issue of residents' parking permits is restricted for proposed new developments and redevelopments within the CPZ Scheme area.
