

## **Watford Borough Council Road to Renewal Plan**

### **Progress Update**

#### **1. Work Stream 1: Community**

##### **1.1 Key achievements over this period**

- A homelessness prevention protocol is now in place for the discharge of individuals from Watford hospital or prison who are known to be rough sleepers. The Street Outreach Service and/or the council's Housing Solutions Team work with the hospital to ensure rough sleepers are not discharged to the street.
- The annual rough sleeper count which covers all 12 wards of Watford was successfully undertaken by the Housing Team with strong indications of a reduction in rough sleeping across the town.
- Watford Council have been involved in the creation and testing of a new system devised by Hertfordshire County Council to track rough sleeper cases. The system is being trialled in Watford with a view to it being used across all 10 districts in Hertfordshire.
- The Housing First project for rough sleepers which is funded through the Next Steps Accommodation Programme is continuing on target. Watford Community Housing who are purchasing the properties have had offers accepted on ten self-contained one bedroom homes. Rough sleepers for the first four units have already been identified, including one who was placed in hotel accommodation some weeks ago due to being assessed as clinically vulnerable. The Rough Sleepers Taskforce will be asked to agree the initial nominees to the Housing First homes at its meeting on 20 January.
- Voluntary Sector Strategy and associated action plan approved by Cabinet on 9 November. Work underway to ensure that the strategy is delivered and the council harnesses the great community spirit demonstrated throughout the first wave of Covid-19.
- A series of Fundraising activities took place in December to boost Watford Help's Community Fund including 'Laps to Lapland', a festive campaign promoting exercise and positive mental health activities which ran from 7th-31st December. The total amount raised will be over £8,000 with a donation from Camelot currently being processed.
- Further Dementia Friendly Town activities including the 'Forget Me Not Restaurant' for people living with dementia, the creation of a Dementia Friendly Leaflet which is currently being distributed to care homes, dementia care groups, GP surgeries, the Peace Hospice and the hospital, the delivery of Christmas hampers to seven local care homes provided by Small Acts of Kindness, SEWA Charity and Watford FC and a dementia focused show on Vibe Radio.
- More than £160,000 raised for voluntary and community groups across the town supporting Watford residents, with plans underway to ensure that the fund helps to support groups long term and in a sustainable way.
