Dear Austen

I have now read through all the links referred to in your letter of 19th January particularly www.watford.gov.uk/slpconsultation and compliment you on all the work gone into these documents. The policy has obviously been researched thoroughly and, at first sight, it seems, that what is proposed is a maintenance or toughening of the restrictions in the Town Centre and continuing as before with licensed premises on the periphery.

In principle, that all seems to make good sense to us and I assume that we, in the Oxhey Conservative Club, operating under our Premises Certificate, will be allowed to carry on much as before. If that is not the case, please let me know.

I have not filled in the lengthy questionnaire from the Company going under the name Survey Monkey because there is not a lot I can usefully add.

Regards Dennis Brown,

Secretary, Oxhey Conservative Club
