

DEVELOPMENT MANAGEMENT COMMITTEE

11th January 2022

UPDATE SHEET

Item 4: 21/01770/GPDO16 – Grass verge, North Orbital Road

ADDITIONAL REPRESENTATIONS

Five letters of objection have been received since the report was prepared and the agenda published. These are all available to view online. The main issues raised are as follows:

- Over-prominent, highly visual, unduly obtrusive
- Won't assimilate well into streetscene
- Impact on outlook from properties in Lamb Close
- Tree belt doesn't provide complete screening
- More suitable alternative sites
- Mast sharing not considered
- Health concerns
