4.3.2 Group leaders have been asked to nominate Members to committees. Any seats not agreed beforehand will be dealt with at the Annual Council meeting.

4.3.3 Members should note that members of the Cabinet cannot sit on a scrutiny committee and that the Mayor is not included for the purpose of political balance and therefore cannot be appointed to any of these committees.

4.4 **Non-politically balanced committees**

4.4.1 **Standards Committee**

The Localism Act 2011 resulted in a large number of changes to the Standards regime which came into effect on 1 July 2012.

At its annual meeting in May 2012 council established a Standards Committee which took effect from 1 July 2012 comprising five elected members of the Council. Council agreed unanimously that the committee would not be constituted on the lines of proportionality. If Council wishes to continue this approach, then it must again unanimously agree that the committee is not constituted on the lines of proportionality.

The Mayor cannot be appointed to this committee.

4.4.2 **Major Projects Forum, Constitution Working Party, Planning Policy Advisory Group, Housing Policy Advisory Group, Climate Emergency and Sustainability Forum, Health and Wellbeing Forum**

These are not decision making bodies and should include at least one Member from each Group. Planning Policy Advisory Group, Housing Policy Advisory Group and Health and Wellbeing Forum should include the relevant portfolio holders.

4.4.3 **Member Development Group**

This Group comprises up to 10 members and should include at least one representative from each political group who will act as training champion, encouraging members of their Group to participate in training and development activities. In addition, the group review the Members' Portal and online forms as required.

4.5 Licensing Committee

The Council is required to have a Licensing Committee. It is able to appoint sub-committees of three members from the main committee to deal with:

- Determining new and variation applications submitted under the Licensing Act 2003 where representations have been received.
- Conducting reviews of premises' licences and club premises' certificates as requested.
- Gaming machine applications for licensed premises requesting five or more machines.
- Conducting reviews of gaming premises as required.
- Determining new and variation applications submitted under the Gambling Act where representations have been received.
- Consideration of appeals from licensed hackney carriage/private hire drivers when their licence is being revoked by the Council.
- Determining Temporary Event Notices when representations had been received. These hearings have to be held at short notice.

Hearings usually take place during the day. Chairs of the sub committees are elected at each meeting and for that meeting only.

4.6 Nominations from Political Groups

4.6.1 Group Leaders have been asked to consider and agree nominations prior to Annual Council. Nominations received to date are attached as Appendix 1. Any appointments not determined in this way will be put to the Annual Council meeting and agreed through a voting process.

4.6.2 Members are also required to agree the appointment of chairs and vice chairs to the committees listed in 4.1 and 4.2 above.

The Planning Policy Advisory Group, Housing Policy Advisory Group, Major Projects Forum and Health and Wellbeing Forum are chaired by the Portfolio Holders.

As agreed at Constitution Working Party, the Chair of Finance Scrutiny should be drawn from the membership of the Overview and Scrutiny Committee.

Nominations received are shown in Appendix 1.

4.6.3 Groups should have regard to the specific training requirements which **must** be undertaken by all members of the Development Management and Licensing Committees. Members who do not undertake the relevant training are unable to participate in meetings of these committees, including acting as replacements or

debating related issues at Council meetings. It is therefore advisable for all councillors to undergo training in these areas regardless of whether they are actual members of the Licensing or Development Management Committees. It was also agreed at Council that members should have scrutiny training every two years in order to sit on the scrutiny committees.

During the COVID-19 pandemic all training was arranged as a virtual meeting and was continued during 2021/22. For 2022/23 some training sessions are being arranged as virtual meetings and others as face to face, information will be made clear on the Member Portal. This will be kept under review during the decarbonisation of the Town Hall and as facilities become available in the annexe.
