4.0 Detailed proposal

4.1 The Framework is the council’s mechanism that sets out the priorities for a range of leisure and community services which are to be delivered by voluntary sector organisations during 2019 - 2023 on behalf of WBC.

4.2 The services commissioned are:

- Infrastructure support to the voluntary and community sector – delivered by Watford and Three Rivers Trust (W3RT) aka Council for Voluntary Services
- Mobility scooter and wheel chair services – delivered by Watford Shopmobility
- Advice services – delivered by Watford Citizens Advice Bureau (CAB)
- Support services – delivered by Home Start Watford & Three Rivers
- Arts and culture services – delivered by Watford Palace Theatre (WPT) & Watford Pump House Theatre

4.3 The authority also provides a management grant to support the following council owned community centres across the borough:

- Holywell Community Centre – managed by W3RT
- Orbital Community Centre – managed by One YMCA
- Meriden Community Centre – managed by Watford Football Club Sports and Education Trust (WFC Trust)
- West Watford Community Association (WWCA)

4.4 The council has a long standing and positive working relationship with the local voluntary and third sector organisations and it deploys a significant proportion of its budget to support a number of them in a variety of ways. The commissioning framework commenced 1 April 2019 and will now end 31 March 2024, as it was granted a one year extension.

4.5 The quality of services commissioned by the council are monitored on a regular basis. Should the services be considered below the quality expected or the need for the service reduce then the Service Level Agreement (SLA) with the organisations commissioned can be reviewed or amended to enable the council to de-commission or reduce funding as appropriate.

4.6 As part of the oversight and governance arrangements a joint ‘Risk Register’ between the council and the different commissioned organisations has been developed and is monitored and reviewed on a 6 monthly basis. A rolling programme of reports and

presentations to Portfolio Holders and the Overview and Scrutiny Committee has been agreed to ensure that elected members and Corporate Management Board are kept informed and updated regarding the progress and the performance of the VS Framework.

5.0 **Implications**

5.1 **Financial**

5.1.1 The funding for the commissioning framework was met through existing resources. The revenue budget envelope for 2021/2022 was £852,771 and was a stand still budget. Appendix 1 details the funding provided to the different organisations. The ongoing budgetary provision for the Voluntary Sector Commissioning Framework is subject to the council's annual budget setting process and any requirements to make savings or provide growth will be dealt with as part of this process

5.2 **Legal Issues (Monitoring Officer)**

5.2.1 The council has a wide variety of legal powers that are available for it to provide both financial and physical assistance to the voluntary sector to enable them to undertake their functions. The priorities identified within the Commissioning Framework are all covered by these powers.

5.3 **Equalities, Human Rights and Data Protection**

5.3.1 An Equality Impact Assessment (EIA) has been undertaken for the VS Framework 2019-2023 to establish whether there are any emerging needs that are not addressed through the commissioning priorities. If there are emerging needs identified during the period of the Framework that are not currently met, consideration will be given as to whether these are a District Council responsibility, align with the council's corporate objectives and whether council funding or grant aid is required in order to commission the service.

5.4 **Staffing**

5.4.1 There are no changes to WBC staffing arrangements identified in this report

5.5 **Accommodation**

5.5.1 There are no changes identified in this report relating to WBC office/town hall accommodation.

5.6 **Community Safety/Crime and Disorder**

5.6.1 There are no Community Safety/Crime and Disorder implications or issues identified in this report

5.7 **Sustainability**

5.7.1 There are no sustainability issues identified in this report

5.7.2 The VS Framework accords with the council's approach on sustainable procurement to consider the social, environmental and economic impacts of the Framework. Small firms, voluntary and community organisations and social enterprises are innovative and add value with an important role in the local economy and contribution to social cohesion and the wide well-being agenda.
