a) General – all four licensing objectives (b,c,d,e) (please read guidance note 11)

[The blurb of information provided below (except for the conditions proposed) is solely for information only and not intended to be converted into conditions on the Premises Licence. Also, we want to note that this application is subject to amendments during the consultation period following agreement of conditions or provisions with responsible authorities/residents.]

Given the changes proposed, we have carefully considered the application, the effect on the licensing objectives and the council's licensing policy. The purpose for seeking later hours on Friday & Saturday only would allow the customers to continue their night in a safe and comfortable environment and give the premises slightly more flexibility around trading.

In the consideration of this variation, we have consulted with the responsible authorities and local residents to get their comments on the application prior to submission to ensure that the proposal we are putting forward is considerate to all, with all the licensing objectives being considered. We have agreed conditions with the police and EHO.

We are also seeking to remove condition 5 from the current premises licence in relation to broadcasting of entertainment as currently under the Licensing Act 2003, the showing of a live broadcast is non-licensable and therefore cannot be conditioned. Therefore, the conditioned placed on the licence is redundant.

The new non-standard timing for Thursdays and Sundays immediately preceding a bank holiday would allow the premises to remain open and to trade legally during this period.

When considering the alterations, we appreciate the current premises licence has limited conditions and therefore we will be implementing the below conditions to bring the licence up to date with modern practices, we have also added additional conditions to address issues raised in respect of public nuisance, disturbance and crime and disorder:

1. The premises shall install and maintain a CCTV system. All entry, exit and point of sale areas will be covered by the cameras, and the images shall enable frontal identification of every person entering in any light condition. The system shall continually record whilst the premises is open for licensable activities and during all times when staff and customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available to a Police officer or an authorised officer of the licensing authority upon request throughout the preceding 31 days period.
2. A staff member from the premises who is fully conversant with the operation of the CCTV system shall be able to show a Police officer or an authorised officer of the licensing authority data or footage upon request.

3. All faults with the CCTV system shall be repaired as soon as possible and in any case within three working days after which time, if the system is still inoperative no licensable activities shall take place without the agreement of the Police Licensing Unit or the licensing authority until the fault is rectified.
4. SIA licensed door supervisor (ratio 1:75) shall be on duty at the premises on Friday and Saturdays, Thursdays or Sundays preceding a Bank Holiday, and any Non-Standard Timings (Xmas Eve, Boxing Day, St Patricks Day, New Year's Eve, New Year's Day, etc) from 22:00 until close.
5. Appropriate signage notifying customers that the rear area is not to be used after 00:00, except for patrons going out to smoke, shall be displayed in prominent positions in the premises.
6. The premises must implement a 'Challenge 25' policy whereby all customers who appear to be under 25 must produce photographic identification in the form of a passport, driving licence or PASS (Proof of Age Scheme) approved identification before being allowed to purchase alcohol.
7. Challenge 25 signage will be placed within the premises.
8. A sign will be located at the exit(s) requesting that customers leaving the premises do so quietly and with consideration to local neighbours.
9. A direct telephone number for the manager at the premises shall be publicly available at all times the premises is open. This telephone number is to be made available to residents in the vicinity.
10. Notices shall be prominently displayed at any area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.
11. The Licensee shall make arrangements to ensure so far as is reasonably practicable that no customers shall be permitted to remove from the Premises any open bottles, glasses or foodstuff for consumption or disposal outside the Premises.
12. A log (which may be electronically recorded) shall be kept detailing all refused sales of alcohol. The log should include the date and time of the refused sale and the name of the member of staff who refused the sale. The log shall be available for inspection at the premises by the police or an authorised officer of the licensing authority at all times whilst the premises is open.
13. An incident log shall be kept at the premises for at least 12 months, and made available on request to a Police officer or an authorised officer of the licensing authority, which will record the following:
 - All crimes reported to or by the premises to the Police
 - All ejections of patrons
 - Any incidents of crime and disorder
 - Seizures of drugs, offensive weapons, fraudulent ID or other items
 - Any faults with the CCTV system
 - Any refusal of the sale of alcohol

14. Each staff member shall be trained in relation to licensing offences and how to prevent them, underage sales, monitoring patron's alcohol consumption, maintaining the incident log, the conditions of the premises licence, drug awareness, serving alcohol to persons who are drunk and the Challenge 25 policy. Such training shall be repeated at intervals not greater than 12 months, shall be documented and such documentation shall be produced to an officer of a responsible authority on request. Staff shall also be monitored to ensure that their training is put into practice.
15. The premises will have a suitable dispersal policy in place to help manage the effective dispersal of patrons. If any updates are made to the policy then the updated version will be served on the authorities.
16. The premises shall have an external management plan and shall operate under such plan. The plan shall be reviewed at least once per annum and will be available for inspection by responsible authorities. If any updates are made to the policy then an updated version will be served on the authorities.
17. Children under 18 must be accompanied by an adult over 18 years of age and are prohibited after 22:00hrs, unless attending a private function and supervised by a person over the age of 18 years.
18. Notices shall be prominently displayed indicating it is illegal to sell alcohol to a person under the age of 18 years.
19. Regulated entertainment in the outside areas shall cease at 23:00 hours.
