

## Appendix 2

### Task group membership

The following councillors have expressed an interest in participating in the task group. The names are listed in order of receipt:

1. Councillor Asif Khan
2. Councillor Penelope Hill
3. Councillor Karen Clarke-Taylor

Task groups must comprise between three and five councillors and are not required to be politically balanced.

Councillor Asif Khan would like to chair the task group and has provided the following statement:

*I have scrutinised and chaired previous task groups on the service provided by Watford Community Housing and other social housing providers using pioneering techniques which was mentioned in Scrutiny training by the Local Government Association. I am willing to chair the new task group where I will bring my experience of chairing, especially in this area, knowledge of social/rental housing and obligations of landlords, professionalism and constructive cross-party work to be their voice and improve the services provided for our residents - who are often the most vulnerable.*

*As chair, I would like to draw on the wealth of knowledge and strengths of the panel members and draw out some innovative and fresh ideas on how to resolve these issues for residents living in often awful conditions.*
