### **Council resolved to:**

1. Declare an 'Ecological Emergency' alongside the Climate Emergency it had already declared;
2. Work with partners locally and regionally to drive coordinated leadership and collaborative action to aid the recovery of nature and natural environments and identify areas for habitat restoration;
3. Lead by example and promote the good work the Council is currently and will in future be doing;
4. Publicly support the Climate and Ecological Emergency Bill;
5. Ask the Mayor to write to our MP to urge him to sign up to support the Climate and Ecological Emergency Bill.
