**Subject:** Nascot Arms application for extended licensing hours

Dear Sirs,

I would like to formally object to the proposed extension to licensing hours at this pub.

Whilst I do not live in the same road, we have frequented the pub since we moved into Nascot Village area for 28 years. Recently, due to the introduction of the food, the pub has become so popular it is difficult to get in the door. This is good for the publican and those who wish to eat, but for us who simply want a drink it's a bit frustrating.

I would like to see a semblance of the old 'drinkers' pub remain and hopefully the extension to allow 80 covers will allow those who wish to eat to take themselves into the appropriate part and leave the remainder of the pub for locals who have based a part of their social life in their local pub. The current licensing hours are adequate for this.

Also, there is absolutely no reason why children should be allowed to remain after the current 8pm deadline, a pub is no place to bring youngsters with the possibility of swearing, and 'relaxed' adults, especially if sport is showing.

Yours faithfully,  
S M Curtis
