Dear Dins,

^{22 MAY 1994}
We live very close to
the Nasco Arms, on the corner of
Stampford Road and Park Road.
We notice with dismay the proposals
to extend the pub opening hours
to half past midnight seven days
a week and to serve late night
refreshments up until half past
midnight seven days per week.

This is a residential, family
area and whilst we like having a
local pub we don't feel the proposed
opening hours are in keeping with
the character of a "local pub" and
will draw in late night drinkers

while the pub has been closed for re-furbishment.

We would be very grateful if you would consider our objections to these plans and re-consider the application to extend the opening hours and permit the sale of late night refreshments.

Yours sincerely,

MARY HOWARD
