Councillors Annual Self Assessment – 2013/14

General *(this section is for any other information you might wish to include)*

I have helped constituents with many issues such as planning, including complaints about lack of planning permission; refuse bins not being emptied; dumped rubbish in the streets including large items of furniture; neighbourhood disputes; parking issues. I have supported constituents with advice on matters to with allotments, parks, telephone and internet 'outages'. I have signposted people to other agencies for appropriate help and support, including the Police regarding drugs and alcohol and domestic violence issues.
